Dear Telephony Manufacturer or Other Interested Party:

The U.S. Environmental Protection Agency (EPA) would like to announce the launch of revisions to the ENERGY STAR® Telephony Specification. EPA seeks to both refresh the requirements for currently covered products and expand the scope to include Voice over Internet Protocol (VoIP) Phones.

Attached to this message please find an EPA Cover Memo and revised Draft ENERGY STAR Test Method for Telephony. EPA invites stakeholders to submit comments via email to telephony@energystar.gov by **October 13, 2011**.

EPA and the U.S. Department of Energy will also host a stakeholder webinar to discuss the test method and next steps on **October 4, 2011 from 12 to 2pm Eastern Time**. To RSVP, please email telephony@energystar.gov by September 30, 2011.

Please direct any specific questions to Katharine Kaplan, at kaplan.katharine@epa.gov, or 202-343-9120, or Matt Malinowski, ICF International, at mmalinowski@icfi.com or 202-862-2693.

Thank you for your continued support of the ENERGY STAR Program.
